Dear Dr. Garcia:

Thank you for your assistance in working to establish the Zamorano Scholars Program Support Fund. This fund will be an asset to LSU AgCenter International Programs as we work to sustain and improve the visiting scholar program for students and alumni from the Zamorano Pan American Agriculture School. The funds will be used for outreach, recruiting, education, and research programs with the goal of developing future agricultural leaders from the Zamorano Pan American Agriculture School.

Contributions can be made in two ways:

**Write a check for the Zamorano Scholars Program Support Fund**

Make your check payable to "LSU Foundation"

Make a note in the memo: Zamorano Scholars Program Support Fund

Mail or deliver to:

LSU AgCenter International Programs  
LSU Box 16090  
Sugar Station Building  
Baton Rouge, LA 70803

**Donate online**

<http://www.lsu.edu/>

The online donation process is very easy but currently involves many steps. I am working to streamline the process, but in the meantime, please feel free to call me at 225 578-7608 and I will gladly assist you or any potential donors in navigating the site.

Donations to the LSU Foundation, whether by check or through online payments, are tax deductible to the extent allowed by law.

On behalf of the LSU AgCenter and LSU AgCenter International Programs, I would like to thank you and our future contributors for your efforts to make the Zamorano Visiting Scholar Program a success.

Sincerely,

A handwritten signature in cursive script that reads "Mary P. Coco".
